SPAGHETTI CAVATELLI GNOCCHETTI TAGLIATELLE

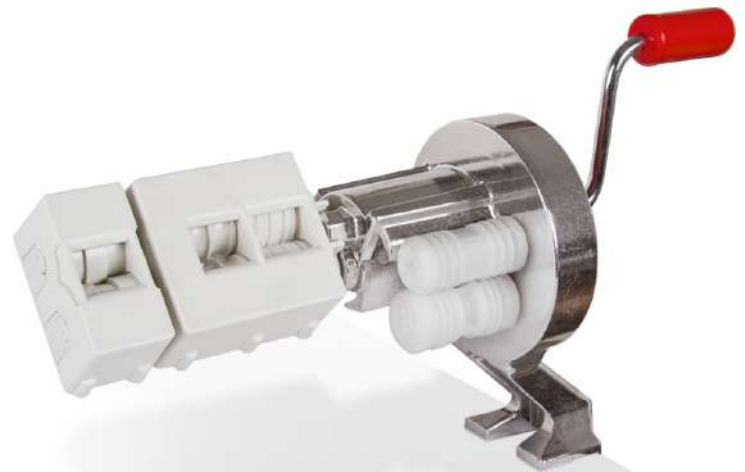

Big Mama is a manual pasta machine

BIG MAMA brings to the table the genuine passion for homemade pasta: spaghetti, tagliatelle, cavatelli and gnocchetti have never been so simple to prepare!

Tantalizing and appetizing dishes, which combine the Italian culinary tradition with the love for healthy eating of the Mediterranean diet, to be enjoyed with family and friends.

Features

- Support stand.
- Crank to be inserted in the appropriate hole.
- Two cylinders to make Sardinian cavatelli and gnocchetti.
- Two pasta shaping pieces for tagliatelle, spaghetti and spaghettoni (large spaghetti).
- Made with plastic materials and polished aluminum, both certified for food use.

Some of the benefits

There is nothing better than homemade pasta! Those who love fresh pasta know that buying it regularly can be quite expensive, yet making pasta at home with a quality machine can save you a lot of money!

- The manual operation with crank make it robust and reliable.
- Making pasta at home allows you to use the ingredients you want. Let your imagination run free!
- Homemade pasta is very healthy compared to pasta sold in packs in supermarkets.
- Big Mama is the only pasta machine that, in addition to making cavatelli and gnocchetti, also makes tagliatelle, spaghetti and spaghettoni!
- Maximum practicality in cleaning: it does not need chemicals or dishwashers, just a simple knife and a damp cloth will do.
- More and more people are choosing a vegan diet, with Big Mama you decide what kind of flour to use when making your pasta.
