PASTA MACHINE
**LITTLE
MAMA**
CAVATELLI & GNOCCHETTI

Little Mama is a manual pasta machine

LITTLE MAMA is the home-made pasta machine that combines the pleasure of tradition and healthy eating with today's fast-paced living.

In fact, in just a few moments, cavatelli, smooth or striped, and gnocchetti will be ready to be cooked and served with your favorite condiment.

Features

- Support stand.
- Crank to be inserted in the appropriate hole.
- Two cylinders to make cavatelli and Sardinian gnocchetti.
- Made with plastic materials and polished aluminum, both certified for food use.

Some of the benefits

There is nothing better than homemade pasta! Those who love fresh pasta know that buying it regularly can be quite expensive, but making pasta at home with a quality machine can save you a lot of money!

- Manual operation with crank that make it robust and reliable.
- Making pasta at home allows you to use the ingredients you want. Let your imagination run free!
- Homemade pasta is very healthy compared to pasta sold in packs in supermarkets.
- Maximum practicality in cleaning: it does not need chemicals or dishwashers, just a simple knife and a damp cloth will do.
- More and more people are choosing a vegan diet, with Big Mama you decide what kind of flour to use when making your pasta.
